

DISCOVER OPPORTUNITIES

Dear Parents/Guardians and Students,

All of us at Burnsville High School want students to feel connected to our school community and find ways to be involved. This booklet lists and describes the amazing variety of athletic teams, activities and clubs offered to students. There are so many opportunities! Take advantage of them. Try something new this year.

We know that students benefit in many ways from participation in athletics and activities. They learn teamwork, commitment and discipline. They gain confidence, make friends, acquire skills and contribute to their community. Students discover future careers and lifelong interests through their involvement. Most importantly, they learn so much about themselves.

As with all opportunities also come responsibilities. Please review information on eligibility, requirements and other regulations.

Have a great school year,

Guillaume Paek Director of Athletics Jay Lepper Associate Principal (Activities)

Purpose Statement

The purpose of the Burnsville High School Athletics & Activities Department is to develop a program that strives for students to: have balance between competitiveness, enjoyment, and fulfillment; display excellence on the field, in the classroom, and in all personal relationships; and have courage to step out of their comfort zones in a safe environment to better themselves in all aspects of their lives and to make good decisions.

All athletics and many activities have fees associated with them. However, students who qualify for free or reduced lunch are automatically eligible for a reduction in participation fees. If any family, regardless of free or reduced lunch status, needs additional assistance, please contact Athletics Director Guillaume Paek at gpaek@isd191.org or (952) 707-2111 or Associate Principal overseeing Activities Jay Lepper at jlepper@isd191.org or (952) 707-2340. No student will ever be denied participation in athletics or activities due to financial hardship.

STUDENT CO-CURRICULAR ELIGIBILITY

Burnsville-Eagan-Savage School District 191 encourages students to participate in cocurricular activities because of the tremendous benefits. However, it is the philosophy of the district that student participation is a privilege rather than a right. Therefore, students who participate in athletics and activities must demonstrate high standards of behavior and academic achievement. The decisions students make, both in and outside of school, should reflect the ideals, beliefs, and standards of their organization, school, and community. The eligibility requirements apply when students are participating as members or in groups during practices, games, activities, competitions, on trips, and at any other time that the students are representing District 191 whether at school or outside of school. Students must follow eligibility rules as well as any guidelines established by the activity and athletic director and/or coaches in all cases. Failure to do so may result in the consequences described here.

Eligibility Requirements

To participate in co-curricular programs, students must follow all policies of the district and their schools, rules of the Minnesota State High School League (MSHSL) and applicable law. In addition, the following specific requirements apply:

Academic Eligibility:

A 7-12 student-athlete or activity participant who receives mid-quarter or quarter grades of "F" in a class will be placed on academic probation. The student will remain on academic probation until the student attains a grade of at least a D- in all classes. A student on academic probation may be ineligible to participate in competitions/performances, but may continue to participate in practices, scrimmages and team/club meetings.

In addition, to maintain academic eligibility a student must be making adequate progress toward graduation as defined by Burnsville-Eagan-Savage School District 191. A student is progressing adequately toward graduation if the student has accumulated the following credits prior to the beginning of the subsequent semester:

	9th Grade	10th Grade	11th Grade	12th Grade
Semester 1	Freshman	9 Credits	19 Credits	31 Credits
Semester 2	4 Credits	14 Credits	25 Credits	38 Credits

Please note, that the current eligibility structure is being examined this school year, 2020-2021. There may be changes to the eligibility requirements effective for the 2021-2022 school year. These changes will be communicated prior to the 2nd semester of the 2020-2021 school year.

School Attendance (Board Policy 503.II.D.1-6)

Participation in Extracurricular Activities & School-Sponsored On-the-Job Training Programs

(1) This policy applies to all students involved in any extracurricular activity scheduled either during or outside the school day and any school-sponsored on-the-job training programs. (2) School-initiated absences will be accepted and participation permitted. (3) A student may not participate in any activity or program if he or she has an unexcused absence from any class during the day. (4) If a student is suspended from any class, he or she may not participate in any activity or program that day. (5) If a student is absent from school due to medical reasons, he or she must present a physician's statement or a statement from the student's parent or guardian clearing the student for participation that day. The note must be presented to the coach or advisor before the student participates in the activity or program. (6) Absences of one-half day or more, even if excused, prohibits students from participating that day in a Minnesota State High School League (MSHSL) competition. Certain exceptions, as outlined by MSHSL policy, are allowed at the school's discretion.

Student Code of Responsibilities:

As a student participating in my school's interscholastic activities, I understand and accept the following responsibilities:

- I will respect the rights and beliefs of others and will treat others with courtesy and consideration.
- I will be fully responsible for my own actions and the consequences of my actions.
- I will respect the property of others.
- I will respect and obey the rules of my school and the laws of my community, state, and country.
- I will show respect to those who are responsible for enforcing the rules of my school and the laws of my community, state, and country.

Violation of the Student Code of Responsibilities may result in a period of ineligibility as determined by the Principal. Students who are suspended or proposed for expulsion or exclusion will be deemed to violate the Student Code of Responsibilities and a consequence may be imposed by the Principal or a period of ineligibility. Where the student conduct is not covered by the MSHSL rules but violates District 191 and/or Burnsville High School rules governing student conduct, the Principal may determine that the student is ineligible to participate in co-curricular activities for a reasonable period of time. If the student conduct violates both MSHSL rules and District 191/Burnsville High School rules, the more severe penalty will be implemented.

Leadership Positions/Captains:

If a student serving as a captain of a team or leader of a co-curricular club/ organization commits a MSHSL rule violation, the student forfeits his/her captaincy or leadership position for a period of one calendar year from the violation. Upon a second MSHSL rule violation during a student's high school career, the student will lose the opportunity for captaincy/leadership of any team or club for the remainder of the student's high school career.

Accommodations:

Students with documented disabilities who require accommodations should discuss the need for reasonable accommodations with the coach or person in charge of the activity as soon as possible. A request for an accommodation will not be retroactive except in the most unusual circumstances.

Appeals Process:

When a student is declared ineligible, the parent(s) or guardian(s) will be notified by telephone and/or mail. The student and his/her parent(s) or guardian(s) may request a conference with the athletic/activities director. At that time the period of ineligibility will be stated and the appeal process will be reviewed. A written request to the building Principal must be made within five (5) school days of the notification of ineligibility. During the appeal process, the student is ineligible to compete in extra-curricular activities. The student may continue to practice with the team during the appeal process.

The Appeals Committee, comprised of two to three teachers and the building Principal or designee, will hear the appeal and make a decision on the case. A written decision will be given to the parent/guardian within 10 school days.

BURNSVILLE HIGH SCHOOL ATHLETICS & ACTIVITIES

Department Mission Statement

Burnsville High School is committed to excellence in athletics and activities as part of a larger commitment to excellence in education. The guiding principle behind our vision with co-curricular participation is our belief in its educational value for our students. High school athletics promotes character traits of high value to personal development and success in later life. These include the drive to take one's talents to the highest level of performance; embracing the discipline needed to reach high standards; learning to work with others as a team in pursuit of a common goal; and adherence to codes of fairness and respect.

In addition, it is the mission of this department to create a Championship Culture of Success and Achievement for Burnsville. To do this we need to challenge all of our coaches on a daily basis to conduct themselves as champions. This conduct will be demonstrated and adhered to through our work habits and preparation, our words and manner of thinking, our communication and treatment of one another and in our expectations. We expect to be the very best at what we do. We will be the best we can every single day. All coaches and programs will PROMOTE other sports for our kids to do or compete in after they are finished with our season. We will encourage kids to be multiple sport athletes and actually teach the kids and parents why that is important. We will uplift other sports programs and coaches, not just tolerate them. We will continually promote the education of our coaches with new and verifiable recent research. We will expect and demand that all of our programs use a common language with regard to training for movement and strength and power development.

All programs will have our school's strength training and movement training as part of practice every week, both in season and off season. We will teach our studentathletes how to think and behave like champions. We will all be on the same page. We will strive to be champions in everything we do to make our program a Championship Burnsville Athletic Program, not an individual sport championship program, but rather, one in which we all work together to make the whole program of a championship caliber.

Future Ready. Community Strong.
